FLOORTEC 560

Walk Behind Sweeper

High Productivity

- Sweep floors or carpets with one machine - more work done in less time
- Quick and easy inspection/filter change without tools
- Driver ergonomics, traction and easy manoeuvrability - for optimum work flow
- Space for two batteries - doubles the operating time between charges

Long Life - Low Maintenance

- Corrosion protected steel frame with safe guards

- Durable polyethylene construction and roto moulded cover resists corrosion
- Mechanically linked motor and gear box reduces maintenance costs and minimises downtime

Focus on Safety

- Automatic power shut off when inspecting/changing batteries or brooms
- Low voltage cut-off system protects and prolongs battery life
- Battery container prevents spillage from batteries on floors and carpets

Large Capacity

- Extra large hopper capacity
- Over-throw system fills the hopper from above providing extra capacity

Technical Specifications

Description (unit)	FLOORTEC 560B Battery powered	FLOORTEC 560P Engine Driven
Working Width		
with side broom (mm)	820	820
without side broom (mm)	600	600
Theoretical capacity 4km/h (m2/h)	3690	3690
Hopper capacity (l)	50	50
Dust control	Yes	Yes
Filter area (m ²)	2	2
Filter material	Paper	Paper
Filter shaker	Manual	Manual
Power source	Battery, 12v	Petrol, 2.2 Kw Honda GX100
Dimensions LxWxH (mm)	1070 x 780 x 840	1070 x 780 x 840
Weight without battery (kg)	90	105

Standard Accessories

Side Broom	•	•
Main Broom	•	•
Main Filter	•	•
On Board Charger	• (obc model only)	

Foldable Handle

Adjustable, ergonomic handle which can be adjusted to suit the height of the operator. The handle can be folded down for improved storage.

Accessories/Key Features

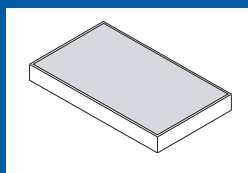

Cylindrical Broom

Also available in natural fibre, steel mix, for sweeping a range of different surfaces and carpets.

Side Broom

Also available in steel mix, natural fibre, nylon, for sweeping a wide range of different surfaces and carpets.

Filter and Filter Shaker Kit

Filter also available in polyester, electronic filter shaker kit also available for battery version only.

Space for Two Batteries

Doubles operation times between recharging increases productivity.
