

Medium-size mobile hot water high pressure washers - electrically heated

The ergonomic and easy to use NEPTUNE design is now adapted to an electrically heated hot water unit. Ideal for use in areas where exhaust gases must be avoided, the NEPTUNE E offers pollution free hot water cleaning.

The NEPTUNE E is thus suitable for food industry or areas where exhaust fumes from diesel fired machines would be unacceptable. The NEPTUNE E benefits from many of the same features as the NEPTUNE 5, including WDK dual chemical system, robust steel chassis and frame.

PRODUCT FACTS

- Pollution free electrical heating
- 1450 rpm motor with low noise level
- Quick Service concept reduces maintenance costs
- Easy to use control panel, all controls on one place
- ERGO accessory system for additional user comfort
- Choice of either 12kW of heating or 24kW depending on temperature requirements

Model	NEPTUNE E 12	NEPTUNE E 24
Ref. no	301002020	301002021
Description	NEPTUNE E12 400V	NEPTUNE E24 400V
